Subject: Interagency Agreement between Washington State Patrol and The City of Okanogan

---

Attached is an Interagency Agreement between Washington State Patrol and the City of Okanogan. This Agreement is an updated version of that the city has signed before.

The Mobilization Plan provides a process to quickly notify, assemble, and deploy fire service personnel and equipment to any local fire jurisdiction in Washington State that has expended all local and mutual aid resources in attempting to manage, mitigate and control an emergency incident or situation for the protection of life and property. If the Fire Agency responds with its available assets to an incident mobilization, both parties shall comply with the procedures detailed in the Mobilization Plan.

Suggested Motion: **I move that the Interagency Agreement between Washington State Patrol and The City of Okanogan be approved.**
