Project:

City of Okanogan

Project Location:

520 2nd Ave S

Okanogan, WA 98840

build@okanogancity.com

The following proposal is to provide a full AHERA inspection, including all necessary sampling and AHERA Inspector's time and mileage, at the above referenced address for the purpose of demolition.

Our Estimate includes the following:

- All required building material samples
- Summary of materials sampled
- Summary of locations of materials sampled
- Map of sample locations
- Third-party sampling results from a NVLAP accredited lab
- Summary of lab results from A1 Asbestos

Our price to perform the above work is: \$2,950.00 + Tax (Unless Sales Tax Exemption provided)

A1 Asbestos LLC.
