Subject: Elmwood Apartments Letter of Support

---

Attached for Council consideration is a letter of support for a grant that the Housing Authority of Okanogan County is in the process of applying for. These preservation funds from the Department of Commerce will be used to rehabilitate the Elmwood apartments in Okanogan, improving the health, safety and accessibility of the complex.

Included in their proposal are improvements to sidewalks, parking lot, perimeter fencing and building siding. These improvements will enhance the safety and well-being of tenants along with preserving the property for long-term use in the community.

**Suggested Motion:** I move to approve the letter of support for Elmwood Apartments and authorize Mayor Pro Tem Bauer to sign the letter.
