

# MEMORANDUM

To: Okanogan City Council and Mayor Turner

From: Jessica Blake, Clerk Treasurer

Date: February 1, 2024

Subject: Colville Tribes Broadband Project Letter of Support

---

Attached for Council consideration is a letter of support for a grant that the Confederated Tribes of the Colville Reservation is in the process of applying for. These funds will be used to expand broadband infrastructure to serve nearly 900 homes and 100 small businesses.

Their proposal will be largely focused on serving Omak HUD homes between East Omak and Riverside, as well as Highway 97 from Okanogan to Brewster and Bridgeport.

**Suggested Motion:** I move to approve the letter of support for the Colville Tribes and authorize Mayor Turner to sign the letter.
